

Reading Horizons Discovery® Software Setup: Students Begin Where They Left Off in Direct Instruction

1. Log into the Administration Portal.
2. From the Class Roll, click Select All. **Please Note: If you have students across multiple grades, you will need to filter by track first.**
3. Click Select All.
4. Click Edit Students.

5. Click on the Lesson Overrides toggle.
6. Select the chapter and lesson that you left off with during your direct instruction.
7. Scroll down and click the Override To button.
8. Click Save.
