

Name _____

Ph, gn, and kn are three more Digraphs. They are not part of the 42 Sounds. These Digraphs have the same sounds as the consonants *f* and *n*.

Lesson 83: More Digraphs

Copy and mark the Digraphs below. Say their sounds as you write them. Then prove and read the words under the Digraphs. The first word for each Digraph has been done for you.

ph

gn

kn

phōne

phase

graph

Phil

gnāsh

gnome

gnat

gnarl

knōb

knit

knead

knife

Write a sentence with one of the Digraph words listed above. Then read the sentence.
