

Name _____

When vowels are reversed, they no longer work as adjacent vowels or Special Vowel Sounds. Each vowel has a sound and must be separated from the other vowel.

Lesson 96: Reversed Vowels

Prove and read the words. Remember to put a dot under each reversed vowel. The first word for each reversed vowel has been done for you.

oi/io: The *i* will say its name or long e, and the *o* can be a schwa or long o.
